3 EXERCISE OF OPTION

- 3.1 Subject to Clause 6 and the satisfaction of the Exercise Criteria, the Vested Options may only be exercised by the Option Holder in whole or in part during the Option Period on an Exit Event. Where the Vested Option is exercised in part, the balance of the Option shall be exercisable in accordance with the terms of this Agreement.

- 3.4 Subject to Clause 3.1, within 30 days after receipt of (i) the Option Notice and (ii) payment of the applicable Option Price (or confirmation of arrangements satisfactory to the Company in accordance with Clause 3.3), or prior to the completion of an Exit Event if earlier and if applicable in accordance with Clause 4, the Company shall issue and allot the Option Shares exercised by the Option Holder on

that occasion to the Option Holder and deliver to him a share certificate in respect thereof or, at the sole discretion of the Board, the share certificate shall be retained by the Board to be delivered to the acquirer of the Company.

- 3.5 All Shares being the subject of an Option Notice shall be allotted and issued free from all liens, charges or encumbrances and together with all rights attaching thereto as set out in the Articles. - 3.6 The Option Shares shall be issued to the Option Holder in accordance with and subject to the Articles.

4 EXIT EVENT

For the avoidance of doubt, where the Exit Event does not conclude, then the Option (in whole or in part as applicable) shall be deemed not to have been exercised and shall continue to be exercisable in accordance with this Agreement. The procedure for exercising the Option pursuant to this Clause 4.2 shall be as set out in Clause 3.
- 4.3 The provisions of Clause 6.1.4 may not apply in circumstances where another company obtains all of the issued share capital of the Company and the Option Holder, the Company and the acquiring company enter into an agreement whereby the Option Holder releases his rights in respect of an Option in consideration of the grant to him of rights which are equivalent but relate to shares in the acquiring company.
- 4.4 In the event of negotiations being conducted for a prospective Exit Event, the Company shall be entitled to request in writing that the Option Holder provide (within 14 days of the Company's request or such shorter period of notice as provided for in Clause 4.1) a binding commitment in writing either to exercise or not to exercise the rights to Shares under this Option upon the occurrence of the Exit Event. In the event that the Option Holder fails to provide such a binding commitment within the aforementioned period or indicates his intention not to exercise the right under the Option, the Option shall lapse.
- 4.5 Where the Option Holder has provided the Company with a binding commitment to exercise his right to Shares under the Option upon a Share Sale, such commitment shall be deemed to include an undertaking to sell the Option Shares to the purchaser as part of the Share Sale. If the Option Holder defaults in transferring the Option Shares to the purchaser, the chairman or any of the directors for the time being of the Company nominated by the Board for that purpose shall be deemed to be the duly appointed attorney of the Option Holder with full power to execute, complete and deliver in the name and on behalf of the Option Holder a transfer of the Option Shares to the purchaser.

Any such dis-application of Clause 6.1.2 must be notified in writing to the Option Holder within 90 days of the Option Holder becoming a Bad Leaver.
- 1.2 Where the Option Holder is a Good Leaver (other than in the case of death), the Option Holder shall be entitled to retain any portion of the Option which has Vested (without any requirement for prior consent of the Board), but for the avoidance of any doubt any portion of the Option which is Unvested shall lapse.
- 1.3 In the event of the Option Holder's death during the Option Period, the Board may allow the Vested Option (or any part thereof) to be exercised by the executors and personal representatives of the Option Holder within 12 months of the date of death of the Option Holder.

The Option is personal to the Option Holder who shall not be entitled to assign or otherwise transfer in whole or in part or create any security or other interest over his rights under this Agreement to any other person or persons save to executors or personal representatives after death pursuant to Clause 6.4. In the event that the Option Holder purports to make any transfer or create any interest in contravention of this Clause 7 the Option shall lapse forthwith.

8 VARIATION OF SHARE CAPITAL

- 8.1 In the event of any consolidation, sub-division, bonus issue or reduction or other variation of share capital by the Company, but excluding for the avoidance of doubt any issue of shares (otherwise than pursuant to a bonus issue), the number and nominal value of Option Shares and the Option Price for

each of those Option Shares may be adjusted by the Board (acting by Majority Decision) in such manner and with effect from such date as the Board may determine to be reasonable, provided always that:

- 8.1.1 any such adjustment shall be made with the intention of placing the Option Holder in the same position (or as nearly as possible) as regards the number of Option Shares and/or the Option Price as if the Option had been exercised immediately prior to such an event; and
- 8.1.2 at any time when it is intended that any Option shall be or remain a Qualifying Option following the adjustment, the Option Shares continue to satisfy the conditions specified in Paragraph 35 of Schedule 5 of the Act; and
- 8.1.3 the Company shall promptly after any adjustment has been made pursuant to this Clause 8 give notice of the adjustment to the Option Holder.

9 TERMS OF EMPLOYMENT

9.1 The terms and conditions of employment by the Company (or any Group Member of the Company) of the Option Holder shall not be changed or affected in any way by the Option Holder being the holder of an Option granted in pursuance of this Agreement, and in the event of termination of the Option Holder's employment the Option Holder shall not be entitled to compensation or damages in respect of any loss or diminution in value of the rights of the Option Holder under this Agreement or pursuant to an Option which may occur as a result of:

10 TAXATION

10.1 All taxation which may become payable by the Option Holder upon the grant and/or exercise of the Option will be the responsibility and liability of the Option Holder alone and not that of the Company. To the extent (a) that it is legally permissible and (b) that the inclusion of this clause would not, of itself, result in the Option being treated as not being fully paid up in terms of paragraph 35(2) of Schedule 5 of the Act, the Option Holder agrees by acceptance of the grant of the Option pursuant to this Agreement:

- 10.1.1 that the Company or as appropriate the Option Holder's employing company shall be entitled to recover from the Option Holder all and any Relevant Liability arising in connection with or as a result of the grant and/or exercise of the Option by withholding such amount or making such other arrangements as the Company reasonably considers necessary to obtain an amount equal to the Relevant Liability including, but not limited to (a) the sale of Shares on behalf of the Option Holder;

and (b) making deductions within 90 days of the date of exercise of the Option of the necessary amount from the Option Holder's salary payments or other sums due to him;

- 10.1.2 to indemnify and keep indemnified the Company in respect of such Relevant Liability; and
- 10.1.3 that in the event that the Company is assessed as liable for any tax liability payable in respect of the exercise of the Option, in whole or in part, at any time, the Option Holder shall reimburse the Company within 28 days after being requested by the Company to do so.
- 10.2 The Board shall in its absolute discretion have the right to elect to pay such sums to the Option Holder as to cover any employer National Insurance Contribution arising from the exercise of the Option.
- 10.3 The indemnity in terms of Clause 10.1 shall continue to subsist and shall remain in force against the Option Holder notwithstanding the exercise of the Option (or part thereof).
- 10.4 As a condition of exercise of the Option the Option Holder (i) is deemed to give all necessary consents and authorisations to the Company or otherwise, so as to give effect to this Clause 10, and (ii) agrees to immediately execute any further document, agreement or election or do any other thing reasonably required by the Company in relation to this Clause 10.
- 10.5 Neither the Company nor any Group Company of the Company accepts liability to the Option Holder in the event that the Option does not, or ceases to, qualify for whatever reason for tax relief under Chapter 9 of Part 7 and Schedule 5 of the Act or for any other relief or benefits.
- 10.6 The Option Holder undertakes to the Company that, if requested to do so, he or she will join with the Company in electing, pursuant to section 431 of the Act, that for the relevant tax purposes the market value of any Option Shares acquired upon the exercise of any Option shall be calculated as if they were not restricted and sections 425 to 430 of the Act are not to apply to any such shares.
- 10.7 The Option Holder, by his acceptance of the grant of the Option pursuant to this Agreement, agrees that should the Option Holder not reimburse the Company for any sums due by the Option Holder to the Company, whether pursuant to this Agreement or otherwise, within a reasonable timeframe specified by the Company then the Company shall have, and shall be entitled to exercise, a lien over the Shares registered in the name of the Option Holder up to the value of the sum due to the Company by the Option Holder.

13 ENTIRE AGREEMENT

This Agreement (together with any documents referred to herein) constitutes the entire agreement and understanding of the parties to this Agreement and supersedes all prior agreements, representations, discussions, negotiations and arrangements whether written or oral, express implied, by the parties, their representatives or agents in relation to the Option Shares.

In the event of any such deletion, the parties shall negotiate in good faith with a view to replacing the provisions so deleted with legal and enforceable provisions that have similar economic and commercial effect to the provisions so deleted.
